2008 ANNUAL

Art Beyond Bars Event

BENEFITING THE CRIME PREVENTION INSTITUTE

CRIME PREVENTION INSTITUTE

The Crime Prevention Institute (CPI) is a nonprofit that specializes in helping individuals being released from incarceration make a smooth, productive transition back into the community to support their families.

When you sponsor a client today, you will be recognized at our annual Benefit Concert and Prison/Community Art Auction, held November 18 at the Savage Vanguard Theater in Austin, Texas.

Please contact Christina Hamilton at christina@cpiaustin.org or call 512.502.9704 to learn more about becoming a sponsor or purchasing tickets for this event. You may also donate or purchase tickets on our website at www.cpiaustin.org/events.

Your sponsorship goes a long way!

$10 buys two 31-day bus passes, allowing two clients better access to jobs. Most ex-offenders return to the free world without access to a car and a bus pass becomes essential for clients to obtain and retain a job.

$25 purchases one client a driver's license or state identification card. Most jobs require a valid photo identification card to apply.

$50 buys a set of clothes and a month's worth of hygiene products. When released from jail, most clients are without family support or access to basic provisions. It can be difficult to feel confident with these needs unmet.

$200 rewards a client for 90 days of hard work. An employed ex-offender is much less likely to re-offend.

$1000 sponsors a client to participate in the entire program including pre-release education, transitional services, and post-release case management.

Thank you for your support!
